

COM814 Project – Final Marking Sheet

Student: EMMA LYNN

Date: 18/10/16

Examiner: J Gojovic

(Indicate 1st/2nd Marker)

Areas	Criteria	Excellent	Good	Satisfactory	Borderline	Fail	N/A	Commentary
25	From Dissertation							<div style="text-align: center; font-size: 2em;">1</div> <p>Has added more development</p> <div style="text-align: center; font-size: 2em;">1</div>
	• problem definition / requirements specification							
	• systematic approach to development							
	• testing process documented							
	From Demonstration							
	• robustness of software							
	• range of functionality							
	• data validation							
	• usability of HCI							
	• consistency with stated functionality of software							
	• understanding of software features							
	From Viva							
• understanding of software technology used								
• understanding of software features implemented								
10	From Dissertation							<p>Presented well</p> <p>+ demo (not done but should mention)</p>
	• documentation structure and completeness							
	• readability							
	From Demonstration							
	• organized and structured							
	• response to questions							
	From Viva							
	• composure & coherence							
• response to questions								
10	From Dissertation							<p>Critical analysis done</p>
	• justification for decisions made throughout project							
	• awareness of related work & technologies							
	• thoroughness of evaluation process							
	From Viva							
	• ability to discuss limitations of work							
• ability to suggest how work could be improved								

Areas	Criteria	Excellent	Good	Satisfactory	Borderline	Fail	N/A	Commentary
Professional Engagement (10%) <div style="border: 1px solid black; width: 40px; height: 40px; margin: 5px; display: flex; align-items: center; justify-content: center;">5</div>	From Supervisor							
	• took initiative as appropriate							
	• met regularly with supervisor							
	• responded to suggestions							
	• kept satisfactory project log							
Total (100%)	Agreed Total	Scaled (90%)		Analysis & Design Report (10%)			Overall Mark	
<div style="border: 1px solid black; width: 60px; height: 40px; display: flex; align-items: center; justify-content: center;">50</div>	<div style="border: 1px solid black; width: 60px; height: 40px; display: flex; align-items: center; justify-content: center;">50</div>	<div style="border: 1px solid black; width: 60px; height: 40px;"></div>		<div style="border: 1px solid black; width: 60px; height: 40px;"></div>			<div style="border: 1px solid black; width: 60px; height: 40px;"></div>	

(? Enter project info)
(- reports into & PW)

Overall Comments
Demo improvements shown - demo'd app.
 further work - images upload & save.
Presentation - demo'd app & objectives
 - slides visually good
 (some text vs small)

Result 50?

Report
 - some presentation improvements possible.
 - generally improved
 - did review of other systems
