

COM814 Project – Final Marking Sheet 2015-16

Student:

Ben Leonard

Date:

5/09/2016

Examiner:

Aiden McCaughey

2nd Marker (delete)

| Areas | Criteria | Excellent | Good | Satisfactory | Borderline | Fail | N/A | Commentary | |
|--|---|--------------------------|------|--------------|------------|------|-----|--|--|
| <div style="border: 1px solid black; width: 40px; height: 40px; margin: auto; display: flex; align-items: center; justify-content: center;">40</div> | Software development skills (50%) | From Dissertation | | | | | | <p>An excellent project. Well thought out solution to a real problem that has merit and could be released into the app store.</p> <p>Excellent demonstration of a very professional piece of software.</p> <p>Student clearly understands the technology used and its limitation</p> | |
| | • problem definition / requirements specification | X | | | | | | | |
| | • systematic approach to development | X | | | | | | | |
| | • testing process documented | | X | | | | | | |
| | From Demonstration | | | | | | | | |
| | • robustness of software | | X | | | | | | |
| | • range of functionality | X | | | | | | | |
| | • data validation | X | | | | | | | |
| | • usability of HCI | X | | | | | | | |
| | • consistency with stated functionality of software | X | | | | | | | |
| | • understanding of software features | X | | | | | | | |
| From Viva | | | | | | | | | |
| • understanding of software technology used | X | | | | | | | | |
| • understanding of software features implemented | X | | | | | | | | |
| <div style="border: 1px solid black; width: 40px; height: 40px; margin: auto; display: flex; align-items: center; justify-content: center;">15</div> | Communication skills (20%) | From Dissertation | | | | | | <p>Very well written report</p> <p>A very good demonstration that clearly showed the application capabilities.</p> | |
| | • documentation structure and completeness | X | | | | | | | |
| | • readability | X | | | | | | | |
| | From Demonstration | | | | | | | | |
| | • organized and structured | X | | | | | | | |
| | • response to questions | X | | | | | | | |
| | From Viva | | | | | | | | |
| • composure & coherence | X | | | | | | | | |
| • response to questions | X | | | | | | | | |
| <div style="border: 1px solid black; width: 40px; height: 40px; margin: auto; display: flex; align-items: center; justify-content: center;">15</div> | Critical and evaluative skills (20%) | From Dissertation | | | | | | <p>Clear justification for decisions made in implementation and a vision for future development.</p> | |
| | • justification for decisions made throughout project | X | | | | | | | |
| | • awareness of related work & technologies | | X | | | | | | |
| | • thoroughness of evaluation process | | X | | | | | | |
| | From Viva | | | | | | | | |
| | • ability to discuss limitations of work | X | | | | | | | |
| • discuss potential improvements | X | | | | | | | | |

| Areas | Criteria | Excellent | Good | Satisfactory | Borderline | Fail | N/A | Commentary |
|---|--|--|------|--|------------|------|--|------------|
| Professional Engagement (10%) <div style="border: 1px solid black; width: 40px; height: 40px; margin: 0 auto; text-align: center; line-height: 40px;">9</div> | From Supervisor | | | | | | | |
| | • took initiative as appropriate | X | | | | | | Excellent |
| | • met regularly with supervisor | X | | | | | | |
| | • responded to suggestions | X | | | | | | |
| | • kept satisfactory project log | X | | | | | | |
| Total (100%) | Agreed Total | Scaled (70%) | | Earlier Components (30%) | | | Overall Mark | |
| <div style="border: 1px solid black; width: 40px; height: 40px; margin: 0 auto; text-align: center; line-height: 40px;">79</div> | <div style="border: 1px solid black; width: 40px; height: 40px; margin: 0 auto; text-align: center; line-height: 40px;">81</div> | <div style="border: 1px solid black; width: 40px; height: 40px; margin: 0 auto; text-align: center; line-height: 40px;">57</div> | | <div style="border: 1px solid black; width: 40px; height: 40px; margin: 0 auto; text-align: center; line-height: 40px;">23</div> | | | <div style="border: 1px solid black; width: 40px; height: 40px; margin: 0 auto; text-align: center; line-height: 40px;">80</div> | |
| Overall Comments | | | | | | | | |
| An excellent project from an excellent student who has already gained employment. | | | | | | | | |
